Being on court and representing this school is a gift I will treasure forever. Homecoming was a very special day for me and everyone's beautiful smiles will be with me in my memories forever. Thank you for a dream come true.

CHS is a great school, and I feel very honored to be able to represent the school for the homecoming. The friends with whom I became close and the memories that I have will stay with me a long time.

1976 Homecoming Royalty

Being on court was an exciting experience. There's no better feeling than the closeness of a friend. Homecoming was filled with many friends who all became part of me. The closeness I felt towards my family was a warm feeling I'll never forget.

The honor of knowing that the student body of CHS wanted me to represent them on homecoming court was a spark of new life for me. I could never thank any one person enough that help put me on court.

Being chosen as one of the five girls on court was a very exciting moment for me. This is something alot of girls dream of and I'd like to say thanks to the student body for making this come true for me.

Pep Week '77

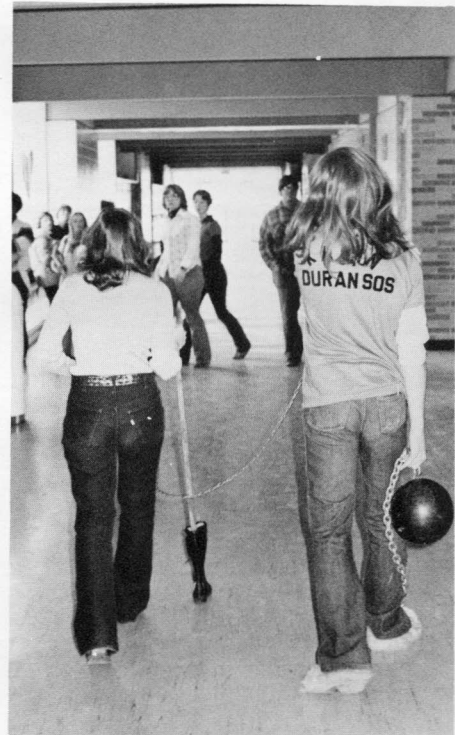

... A Full Week Of Fun ...

Pep Week '77 brought many activities to the students of CHS. There were days for tennis shoe's and weird socks, days set aside for the 50's and goofy t-shirts and even a day for hat wearing.

The student council also organized a series of assemblies aimed at instilling spirit and providing some enjoyment to the busy week. Among the activities were piggyback basketball. The senior class defeated the juniors in the finals for the world championship, a nationally televised sport.

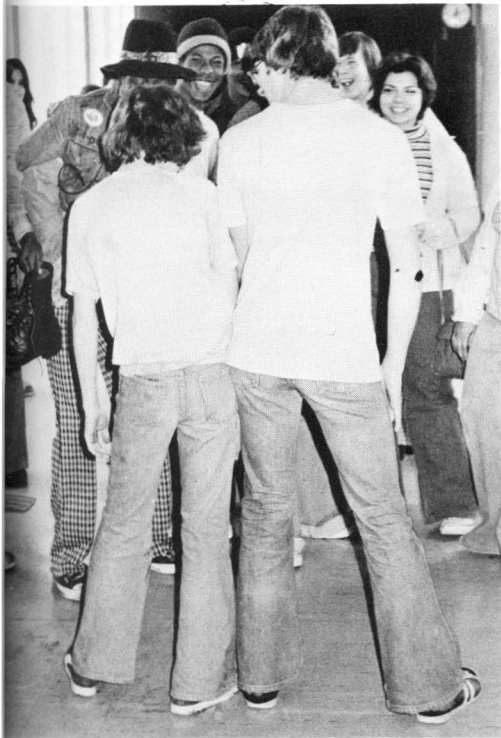

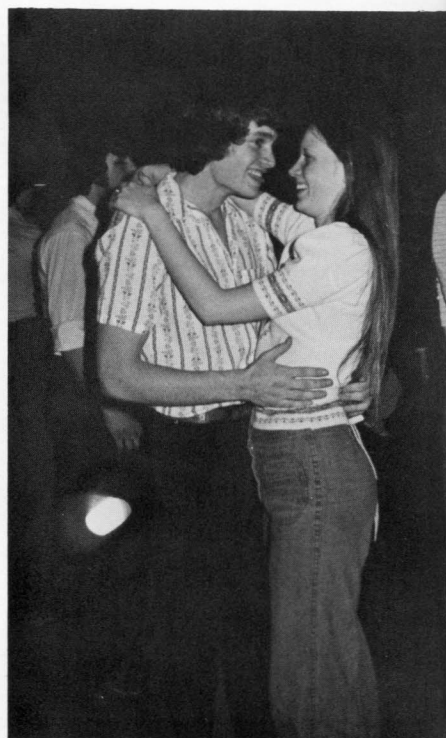

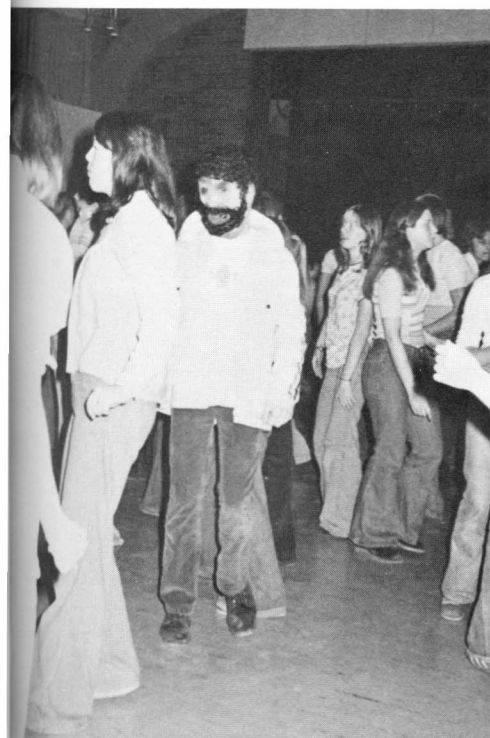

Laughing And Enjoying Friends . . .

Emphasis was placed on participation during the week long activities in order to encourage as many students as possible to try their hand at something. For the first time, there was a daily competition as well as a week long competition between classes for the highest spirit of participation. The class of 1978 dominated the week winning each individual day as well as the week long award. The juniors also won the pep jug awarded to the class with the strongest vocals.

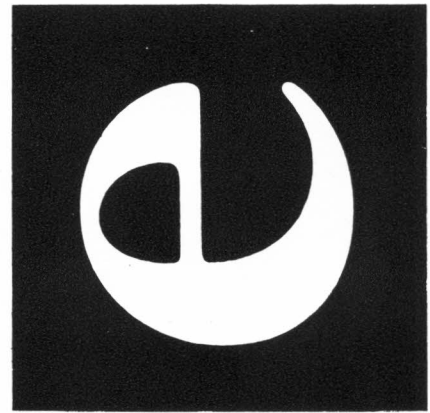

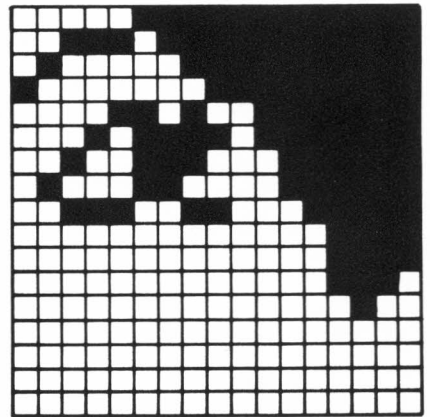

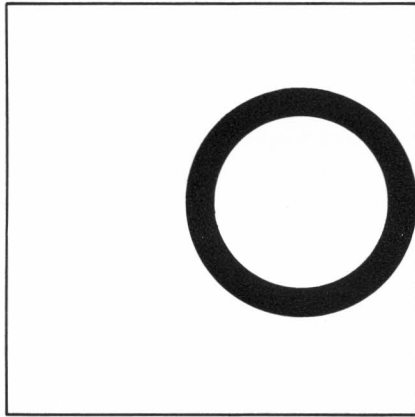

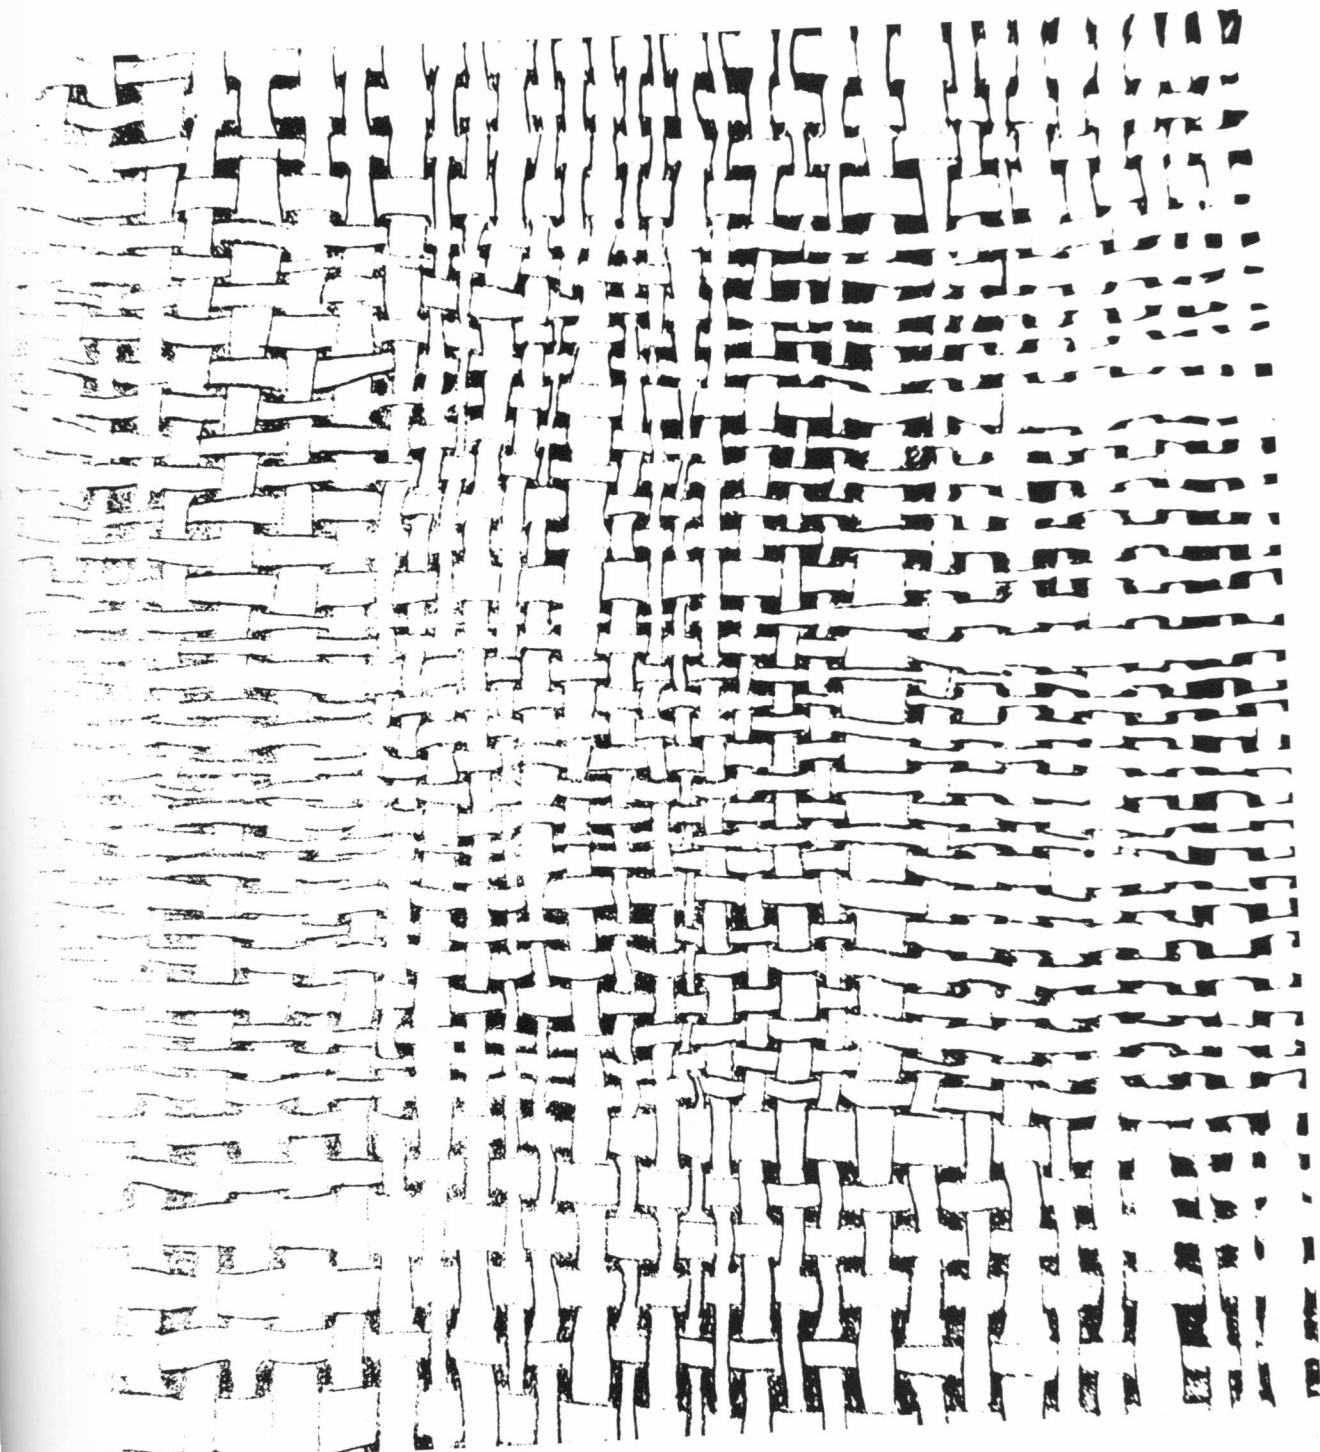

And Finally On NBC Basketball Victory

As the weeks wind up, there was much celebration. And there was a lot to celebrate about. For the eighth straight year the Cavaliers were on top of the NBC at the end of the basketball season. This year the Cavs tied for the first spot with a 65-62 decision over Oscoda.

Later at the victory dance, the Cavs got down to CEYX as the band rocked and the people rolled. However, if you will kindly check left, not everything can be classified as people at the dance.
